

## **Naoto Kimura**

*Director, International Relations Department, Tokyo Metro Co., Ltd.*

Mr. Naoto Kimura joined Tokyo Metro's predecessor, Teito Rapid Transit Authority, in 1984. In his early career, he gained experience in formulating the business plan, as well as rolling stock planning. After becoming a Manager in March 1995, his posts included work in railway business planning, operation planning, as well as financing and related business. During this period, he was involved in developing related business strategies in preparation for privatization.

Mr. Kimura became a Senior Manager in the Personnel Department in March 2003 and was engaged in recruitment and human resources. He began working in International Relations Department in April 2008 and was promoted to Director of International Relations Department in 2010.
