

BIOGRAPHY

HELEN M. TREMONT J.D. C.M.

Helen began her career in aviation as Chief Contract Administrator at Pittsburgh International Airport. She subsequently joined US Airways at its corporate headquarters in Arlington Virginia in the Corporate Real Estate Department as Regional Director, Airport Affairs. Helen held other positions within US Airways over a 20 year period including Director, State and Local Government Affairs and Director of Federal Affairs and ultimately served as Vice President, Corporate Real Estate.

Helen currently remains in aviation as Director, Office of Commercial Management for BWI Marshall Airport, where she has served for over six years. In her current position, Helen oversees airline affairs, commercial development, commercial business services and concession operations. All revenue generating operations at BWI Marshall are the responsibility of the Office of Commercial Management.

Helen is the co-author of the Transportation Research Board Guidebook for Developing and Managing Airport Contracts published in January 2011. Helen holds a Juris Doctor degree from the University of Pittsburgh and maintains a current license to practice law.
